

Vizsafe and MapsPeople team up to offer indoor mapping to support Incident Management

MapsPeople A/S | Vizsafe Inc and MapsPeople partnership

Company Announcement No. 17 - 2022. Inside information.

Aalborg, November 22, 2022

Vizsafe Inc. (US) and Mapspeople have entered into a partnership where MapsIndoors will be embedded in Vizsafe's Incident Management platform.

Vizsafe's Geoaware® platform allows organizations to manage their assets and operations in real-time with actionable intelligence. MapsIndoors will be embedded in the safety management platform, improving real-time communications for some of the world's most valuable organizations.

"This new Partnership with Vizsafe supports the MapsPeople footprint in the US market and demonstrates how digital mapping combined with real-time data can empower a leading platform in a fast growing industry." says Morten Brøgger, CEO of MapsPeople A/S.

This announcement is based on the size of the agreement, which is one of MapsPeople's Top 3 agreements. This announcement does not affect ARR guidance (company announcement no. 1-2022), which remains at DKK 75-85M for 2022.
